

REMARKS

By the foregoing amendment, the Cross-Reference to Related Applications section has been updated. Favorable reconsideration of the application is respectfully requested.

Claims 20-29 were rejected under the judicially created doctrine of obviousness type double patenting in view of Patent No. 6,655,888. Applicant submits herewith a Terminal Disclaimer with respect to Patent No. 6,655,888. It is believed that with the enclosed Terminal Disclaimer, the rejection of Claim 20-29 on these grounds can be withdrawn. Our check in the amount of \$110.00 is enclosed to cover the fee for filing the disclaimer.

In light of the foregoing remarks, it is respectfully submitted that the application is in condition for allowance, and an early favorable action in this regard is respectfully requested.

Respectfully submitted,

FULWIDER PATTON LEE & UTECHT, LLP
